## Getting around

Make the right connections this winter by rail, road or river across the whole of Merseyside.

Visit [merseytravel.gov.uk](http://merseytravel.gov.uk) for various travel options, routes, timetables, apps, detailed maps and special offers to help guide you on your way.

### By Rail

We have one of the best performing rail networks in the country. Fast and frequent, the service boasts connections to the whole of Merseyside and beyond, going as far as Chester city centre, the coastal towns of Southport and West Kirby and the historic market town of Ormskirk making it a quick and convenient way to explore.

### By River

Mersey Ferries connect Liverpool with the Wirral Peninsula, calling at Pier Head, Seacombe and Woodside. They're the perfect way to see another side to the Liverpool waterfront, whilst learning more about the history and heritage of the region and river. More details of the cruises can be found on [merseyferries.co.uk](http://merseyferries.co.uk).

### By Bus

Buses provide a green and cost-effective way to roam around the region. The bus network has two main city centre bus stations at Liverpool ONE and Queen Square, with friendly staff to help and provide you with personal travel advice. For the independent traveller visit [merseytravel.gov.uk](http://merseytravel.gov.uk) to download timetables and a journey planner app.

Most buses are fully accessible with great value ticketing options tailored for all kinds of travel.

## On arrival

### At Liverpool John Lennon Airport

Bus route 500 takes you from the airport to the city centre every 30 minutes during the daytime. The 80A, 82A and 86A buses, running throughout the day, take a little longer than the 500 but together they provide a very frequent service.

### At Liverpool Lime Street Station

Catch a bus from the bus stop on Lime Street, outside Lime Street station. They'll take you through the city centre and down to the riverfront, or hop onto the Wirral Line from Lime Street underground station to get to Liverpool Central or James Street stations. If you are visiting for the day, the CityLink bus service is an ideal way to get about.

### At National Express Coach Station

The city centre is an easy walk, downhill, from the coach station but if you would like to catch a bus, many call at London Road and bring you into the City Centre. Cross London Road to catch a bus going down the hill towards the city centre.

### At the Cruise Liner Terminal

If you are calling into Liverpool on your cruise and would like to take a trip around the City, pop over to the Pier Head and catch the CityLink bus. You can hop on and off the bus all day for just £3. Visit [merseytravel.gov.uk/citylink](http://merseytravel.gov.uk/citylink) for more details, plus the route is highlighted on the enclosed map.
